ELECTRONIC SUBMISSION:

Please submit your paper electronically to our FTP site.

☒ The paper should be uploaded at:

<ftp://ieeecs@ftp.computer.org/press/incoming/proceedings/percom05/>

*** Please contact skawada@computer.org or kumar@cse.uta.edu for password**

☒ Please prepare your **U.S. Letter-size (8.5" x 11") paper** as a plain ASCII PostScript file with NO encoding, condensing, or encapsulation.

If you plan to submit a PDF file, you **MUST** adhere to the following PDF specifications:

Basic PDF distiller settings MUST be changed to:

- ✧ optimized,
- ✧ Acrobat 4.0 compatibility,
- ✧ all graphics at least 300 dpi resolution,
- ✧ ALL fonts are embedded and subset,
- ✧ postscript settings DO NOT override distiller settings,
- ✧ page size is 612.0 x 792.0 points (8.5" x 11").

IMPORTANT: Authors must check their final pdf files before submission to verify that all fonts have been properly embedded and subset. Some font manufacturers now flag their fonts to not embed. These fonts must be avoided.

✧ All fonts MUST be Type 1 or 3 PostScript fonts from the Latin 1 Fontset.

Our PostScript printers will not recognize any other fonts. Do not use

TrueType, bitmapped, or Ryumin fonts.

✧ Guidelines for generating and submitting PostScript files are available on our Internet site at:

<http://computer.org/author/psguide.htm>

✧ Some older FTP applications (RapidFTP included) may require the user to choose a remote operating system type. In these instances choose: "MS Windows NT - Unix."

FILE NAME:

✧ **IMPORTANT NOTE:** Please use your last name, first initial when naming and sending your file to the above FTP site, followed by a keyword from your paper title. For example, the filename for J. Smith submitting the paper titled: "On Urquhart's C Logic" would be <smithj_urquhart.ps>

✧ If you are submitting two or more files, please number them: smithj_urquhart1.ps, smithj_urquhart2.ps, etc.

✧ If there is a file with the same name already in the directory, please use a variation.

✧ Files are automatically moved off the FTP site. Please do not re-post your paper if you do not see it on the site.

✧ Please FAX your signed copyright release form to Stephanie Kawada at +1 714 761 1784.
